CALIFORNIA BUSINESS INVESTMENT GUIDE

July 2025

Governor's Office of Business & Economic Development (GO-Biz)

Gavin Newsom, Governor
Dee Dee Myers, Director

Overview

California's economy has remained resilient despite recent global challenges, fortified by a diversified economy that cultivates innovation and invests in people that drive it. With continued growth and opportunity ahead, GO-Biz and its state partners are ready to serve the business and economic development community to accelerate innovation, investment, and job growth in the Golden State.

This guide is intended to help businesses and for-profit entities identify relevant new and existing state funding resources for recovery and success.

About GO-Biz

The Governor's Office of Business and Economic Development ("GO-Biz") serves as California's single point of contact for business, economic development, and job creation efforts.

GO-Biz offers a range of services to business owners including attraction, retention and expansion services, site selection, permit streamlining, small business assistance, and international trade development.

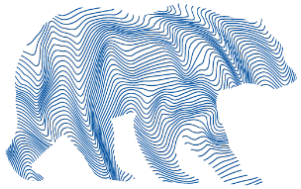
Business Investment Services (CalBIS)

Need assistance in navigating the above?

The Business Investment Services (CalBIS) unit of GO-Biz is comprised of a team of business development experts and specialists across the state with in-depth insight on available resources, ongoing initiatives, and government programs.

The CalBIS team provides direct technical and financial assistance to businesses and economic development organizations at no-cost. CalBIS additionally provides a confidential tailored site selection service and an incentive navigation service to businesses at no cost.



Permit Assistance

Need assistance with permitting?

The Office of Permit Assistance under the CalBIS unit provides comprehensive permit and regulatory compliance assistance statewide by serving as a central source of permit guidance. The Permit Assistance unit also works with local and regional permitting agencies to provide permit identification and regulatory compliance assistance at the local level.
